

December 09,2022

To: None

From: Marco Wolff

This report is a follow up to the safety inspection completed on December 09,2022. The purpose of the inspection was to identify potential safety hazards and/or OSHA violations. Attached is a list of observations and recommendations based on the conditions present at the time of my visit. Please review the report and verify that all potential hazards are corrected. If you have any questions or require additional information after reviewing this report, please don't hesitate to contact me.

Sincerely,

Marco Wolff
